

I ever met a great personality in my life as a refugee and as orphan – the one who celebrates his 25th year in God’s Vine yard as Shepherd on the 7th May 2008.

As depicted in his Motto “...at the service of faith and fellowship...”

- **Carrying the Cross in his willingness**
- **Caring the orphans and destitute is his multiple role**
- **Sheltering the displaced people is his achievement**
- **Sharing the means is his contribution**
- **Scheduling every minutes is his obligation**
- **Showing sympathy is his humanity**
- **Guiding the flock in the God’s Kingdom is his service**
- **Moving with the public irrespective of age, race, ethnicity, religion etc is his happiness**
